(2) Practice teaching /internship in schools

A REPORT
ON
INTERNSHIP / IMMERSION ACTIVITIES

Internship is known for Giving Students the opportunity to apply their Knowledge in real world environment. At the same time, they will also develop skills which will help them perform better at their jobs.

Internship greatly increase the chances that a student will gain full time employment after graduation. By using internship students are provided with experience that will make them stronger. Internship will also allow students to learn time management, discipline & effective communication skills. When students use internship, they will bring benefits to themselves as well as their employers & the stakeholders.
